

Child Protection Procedures

Renfrew Street Nursery School

The Child Protection Co-ordinator at nursery is *Steve Rivers*, Head of Nursery.

The child protection co-ordinator has responsibility for responding to any concerns for a child's welfare or safety.

A concern might be prompted by any of the following:

- a specific incident;
- a disclosure made by a child or young person or parent/carer;
- information from a third party, including a parent or other member of the public
- adult behaviours/circumstances that may place the child or young person at risk of harm;
- child behaviours/circumstances that may place the child or young person at risk of harm;
- a culmination of minor concerns over a period of time.

A response in almost all cases would involve discussing concerns with parents/carers in order to support the child's welfare. A response may also involve in some cases contacting a child's named Health Visitor, the local Social Work department, or the Police.

In Steve's absence Sharon Wright (Team Leader) will respond to any child protection or welfare concerns.
