

We have chosen a few actions to demonstrate each rule but there are many other ways children can show us how they are following them. You will see our puppets around nursery!

We will be using the concepts of kind, safe and responsible when talking to the children about a variety of situations that arise within the nursery.

If you can use the language of “kind”, “safe” and “responsible” at home, this will highlight to children the positive behaviour they are doing. Over time the children will learn to understand what “Kind, Safe and Responsible” mean and how we can behave positively.

Our Golden Rules

We are working on the nursery Golden Rules with the children and we would like it if you could share them with your child.

Our Golden Rules are:

Be responsible
